SPECIAL FILMING CONDITIONS
DESMOND ESTATES ROAD AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The area around Desmond Estates Road at Mulholland Drive and Runyon Canyon Road, north of Runyon Canyon Park, is used for filming at various locations, and for parking equipment/cast/crew in a dirt area located on the south side of Mulholland Drive and on the east side of Desmond Estates Road. This parking area is Los Angeles City Department of Recreation and Parks (RAP) property and must be coordinated through the Department's film office. The following Special Filming Conditions apply to all activities in the area, including parking:

- **Affected residents within 500 feet of any and all filming activity (including production equipment parking, cast/crew parking, or catering) must be notified at least two (2) days in advance of the first filming day or the first day of any substantial set preparation, unless later notification is approved by FilmLA.** *Permit request must be submitted to FilmL.A. at least three (3) days in advance.*

- **Smoking is not permitted** unless confined to areas designated by assigned Los Angeles City Fire Department (LAFD) personnel.

- **Use of the Department of Recreation and Parks vacant lot on Desmond Estates Road and Runyun Canyon Road for equipment parking will require a walk-through with a FilmL.A. Production Coordinator to ensure generators, motor homes, trailers and honey-wagons are placed in areas that will minimize the impacts to surrounding residents.**

- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless approval is obtained from FilmL.A. and the approved times are indicated on the permit.

- **Production companies must display signs near equipment and cast/crew parking that read as follows:** *"Residential area - Please keep noise and disturbance to a minimum."*

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

FilmLA PERMIT

Permit #F00028858-B

PARK FILM OFFICE
City of Los Angeles, Department of Recreation and Parks
4730 Crystal Springs Drive, (Mail Stop 664)
Los Angeles, California 90027
Telephone: (323) 644-6220 Fax: (213) 847-6056

Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.

NOT A PERMIT

- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.

RUNYON CANYON
Filming Guidelines

In order to maintain and preserve Runyon Canyon as an attractive environment for both park patrons and the film industry, we ask that you follow the guidelines below:

- Companies are requested to inform all film crew members of the written guidelines for Runyon Canyon.
- OK to film at Runyon Canyon Park, Mulholland Side.
- Park patrons have right of way at all times. Must allow patrons to pass when camera is not rolling. May only stop patrons when camera is rolling. OK to have maximum 2 minute pedestrian control.
- May not block any access roads, trails or driveways. May not park on any grassy area.
- Company must caution for pedestrians and dogs.
- OK to shoot exterior plate shots of the dirt and hillside where the “D” was in the prior shoot.
- OK to park trucks off the road and in designated areas and upper triangle.
- OK to level dirt and trim mustard plant.
- OK to use air compressor on dirt.
- OK to use 5 spaces in the parking lot at the Mulholland entrance.
- Security and LAPD will be posted for safety and quiet.
- Vehicles may not block the asphalt road at any time.
- Vehicles are not allowed on dirt trails.
- The company’s activities must give the “right of way” to excessive traffic of park patrons..
- Bolting or nailing into the trees is not permitted.
- Staking allowed only at monitors discretion.
- Bringing soil, mulches, leaves and other material used for footing or blowing effects is not permitted unless approved by the Park Maintenance Supervisor.
- Alterations to the landscape, including the dirt road, must be leveled off before the company leaves the location.

NOT A PERMIT

- Companies must provide toilets from beginning to end of the reservation period.
- Preparing, staging or actual filming will be stopped by Park Management if unexpected weather conditions in combination with the company's activities causes damage to the area.
- Companies are responsible for clean up of the entire area they have occupied.
- Any alterations to the landscape must be completely repaired before the company departs the location.
- Any damage to the landscape or irrigation system will be considered subject for mitigation procedures, which could result in monetary reimbursement or restoration work.
- Co. must keep speed limit to a maximum of 5 mph for all vehicles while inside of Runyon Canyon Park.
- Company must use extreme caution while driving through Runyon Canyon Park due to high volume of hikers and dogs.
- Company must post filming notification signs for the public.
- OK to load and unload equipment with stakebed trucks up to the off leash gate only.
